IAC Ch 90, p.1

191—90.12(505) Exception to opt-out requirements for disclosure of nonpublic personal financial information for service providers and joint marketing.

90.12(1) The opt-out requirements in rules 90.6(505) and 90.9(505) do not apply when a licensee provides nonpublic personal financial information to a nonaffiliated third party to perform services for the licensee or functions for the licensee on the licensee's behalf, if the licensee does the following:

- a. Provides the initial notice in accordance with rule 90.3(505); and
- b. Enters into a contractual agreement with the third party that prohibits the third party from disclosing or using the information other than to carry out the purposes for which the licensee disclosed the information, including use under an exception in rules 90.13(505) and 90.14(505) in the ordinary course of business to carry out those purposes.

For example, if a licensee discloses nonpublic personal financial information under this rule to a financial institution with which the licensee performs joint marketing, the licensee's contractual agreement with that institution meets the requirements of paragraph "b" of this subrule if it prohibits the institution from disclosing or using the nonpublic personal financial information except as necessary to carry out the joint marketing or under an exception in rules 90.13(505) and 90.14(505) in the ordinary course of business to carry out that joint marketing.

90.12(2) The services a nonaffiliated third party performs for a licensee under subrule 90.12(1) may include marketing of the licensee's own products or services or marketing of financial products or services offered pursuant to joint agreements between the licensee and one or more financial institutions.

90.12(3) For purposes of this rule, "joint agreement" means a written contract pursuant to which a licensee and one or more financial institutions jointly offer, endorse or sponsor a financial product or service.
